

## PEP Bucks – Frequently Asked Questions

### Why are there PEP Bucks?

The Partnership for Emergency Planning (PEP) values each and every member of the organization. We strive to recruit and retain members that are willing to support the organization through a variety of contributions. The objective of the PEP Bucks program is specifically to reward our “active” members.

### What are PEP Bucks?

PEP Bucks are a means to reward active members by providing an opportunity to accumulate PEP Bucks to redeem for PEP-logoed items. Members can earn and save PEP Bucks to redeem for a variety of products, including shirts, jackets, sport chairs, travel mugs, umbrellas, luggage tags and more.

### How do I earn PEP Bucks?

Simply put, we don't. It is up to the individual member to hold onto their PEP Bucks until they are redeemed. If they are lost or destroyed we cannot replace them.
